

## **NETSTETIKA AFFILIATE PARTNER PROGRAM INFORMATION**

Netstetika affiliate program is different from other affiliate programs, we help you earn RESIDUAL income!

Netstetika is web site design and web development company that truly cares about how to help its partners and customers see and reap benefits from their web presence made possible by our web site design and web development services. Now you have a fantastic opportunity to become our partner. You can get profit from web development by directly participating in this process. Our affiliate program provides maximum comfort to our partners. Simply place our banner or build a link to us on your web-site and that's it - while we are doing our job, you make money!

### **Recurring system:**

Normally with an affiliate program you refer a visitor who buys a single product or service and get paid just once for that sale.

With our affiliate program once you have referred a client to Netstetika they remain your client for the life of their account with us. Not only do you get paid commission on the first product they buy from us but on ALL products they buy from us whether it be this week or two years from now.

### **Non Cookie Tracking**

As with other affiliate programs initially a cookie is used to track the referral from your site. HOWEVER once your referred visitor has purchased a product or service from us they are logged in our database as being referred by you, and cookies are no longer required for you to be paid your commission. Once a referred client has purchased one item or service from us you will receive commission for ALL their future purchases.

### **Our current commission rate**

Our current commission rate is 20% commission on all referred sales.

## Example of the power of our affiliate program

If A client you refer purchases an website from us:

You receive 20% of the sale.

If total website cost is \$1500, your comission will be \$300.
